Issue No. 486

24/09/2021

Yesterday, with a chill in the air, we welcomed a new season with the first day of Autumn. Although it seems sad to wave goodbye to the lighter nights and sunny days of Summer, there is plenty to look forward to as we move towards Christmas.

In school, this is an exciting term - full of events that celebrate this time of year. Our Y4s will soon be heading off on their residential to Whitby while the rest of us look forward to Halloween and Bonfire Night. After that, we are hopeful that at least some of our normal Christmas festivities can resume after restrictions last year.

With all of this excitement ahead, let's bid farewell to Summer and say, 'Hello Autumn!'

PARENTS' EVENING

Parents' Evening will take place on Tuesday 12th and Wednesday 13th October. In line with Sheffield Public Health advice, we will be hosting parents' meetings on Zoom on this occasion. The booking system will go live on ParentMail on Monday 4th October inviting parents to book their appointment and will remain live until lunchtime on Friday 8th October.

BIKE TO SCHOOL WEEK - 27 SEPTEMBER - 1 OCTOBER 2021

Next week, we are encouraging children to cycle or scoot to school as part of our 'Bike to School' Week to celebrate cycling and scooting and the positive impact it has on health and wellbeing. If your child would like to take part, please spend a little time before next week discussing safe routes to school. We encourage all children to wear helmets and ask that all children dismount and push their bike or scooter through the school yards for safety reasons. If your child has any questions, please encourage them to ask their class teacher for further details.

SPORTS LEADERS

Fifteen Y6 children were selected by Mrs Foster to take part in sports leaders training on Friday 17th September. This was led by our Links Partnership organiser, Megan Pinder. During the session, the children learnt how to be a successful leader and gained knowledge

and understanding of delivering a variety of skills and practices. Megan said that she was incredibly impressed by the children's effort and attitude during the training. They are going to be using their new found talents to deliver short sports sessions to some of our Y5 children at lunchtime and have all received a certificate for their hard work!

CROSS COUNTRY

Saturday saw a fantastic start to the new Cross Country season, with ten pupils attending Bolehills for their first race of the new league. Our superstar runners had the weather on their side, showing great determination within their races. A special mention to three of our pupils who achieved top 20 positions - Ellie-May Murray, Henry Clarke and Ellie Gaymond, finishing 3rd, 8th and 19th respectively!

If you would like to join SJS Cross Country team then Race 2 is at Parkwood Springs on Saturday 2nd October.

In the meantime, Miss Hague is starting an after school running club on Monday evenings. If you would like to have a go, please contact Miss Hague for a letter.

How to Set up PARENTAL CONTROLS for APPS iPhone

Apple devices come with built-in apps already available: Mail, FaceTime and Safari, for example. However, you can choose which apps and features appear on your child's device and which ones don't. You can also manipulate the features in Game Centre to enhance your child's safety and privacy when playing games, as well as blocking iTunes or App Store purchases if you wish.

How to Restrict Built-in Apps/Features

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap Allowed Apps (you may need to toggle this to 'on' at the top)
- 5 Enable or disable the apps you wish to appear (or disappear) on your child's device

How to Restrict Game Centre

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap Content Restrictions (you may need to switch the toggle at the top to the 'on' position)
- 5 Scroll down to Game Centre
- 6 Choose between Allow, Don't Allow, or Allow with Friends Only in the settings for each feature

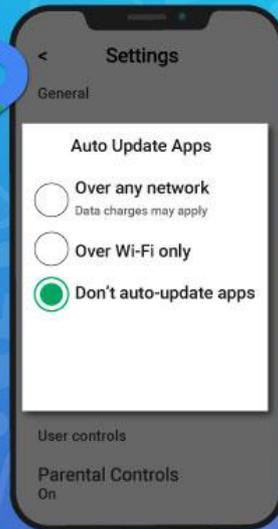

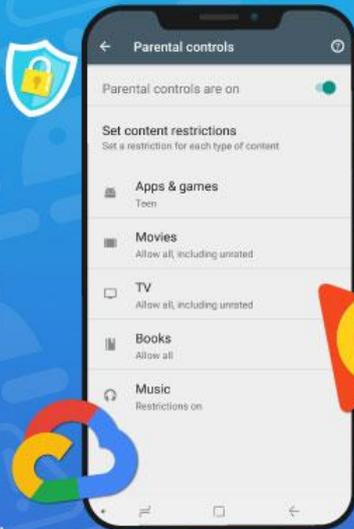

How to Restrict iTunes & App Store Purchases

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap iTunes & App Store Purchases
- 5 Select Allow or Don't Allow for each feature (you can also lock these settings with a password)

How to Set up PARENTAL CONTROLS for APPS Android Phone

On Android phones, restricting access to particular apps usually requires going onto Google Play. From there, it's fairly easy to navigate your way through the settings to manage the parental controls and authentications relating to any apps on the device. These features can prevent your child from downloading or buying anything unsuitable for their age. Updated versions of apps or games that your child has already installed may occasionally contain something inappropriate, so we've explained how to stop those, too.

How to Block App Downloads (This Also Disables In-app Purchases):

- 1 Open Google Play Store
- 2 Tap the profile icon in the top right
- 3 Tap Settings
- 4 Scroll down to the Family section and tap Parental controls
- 5 Toggle 'Parental controls are off' to 'Parental controls are on'
- 6 Create a PIN and tap OK
- 7 Confirm your PIN and tap OK again
- 8 Tap Apps & Games
- 9 Set the age limit you wish to set
- 10 Tap Save to apply your changes

How to Stop Auto-updates

- 1 Open Google Play Store
- 2 Tap the profile icon in the top right
- 3 Tap Settings
- 4 Tap Auto-Update Apps
- 5 Select 'Don't auto-update apps' and then tap Done

Restricting Apps Through Google Family Link

- 1 Open Google Play Family Link for parents
- 2 Tap the three horizontal lines in the top left
- 3 Select your child's account
- 4 Tap Manage
- 5 Tap Controls on Google Play
- 6 Tap Apps & Games
- 7 Select the age limit you wish to set
