Issue No. 510

22/04/2022

This week our Y3 children have been away to Kingswood on their first SJS residential. It is always a pleasure to see our children in a different setting, enjoying all the experiences that a stay away from home can offer. Although our Y3 children haven't been in the school building, they have most definitely still been learning. In fact, days on residential are possibly one of the steepest learning curves our pupils experience. They have coped with being away from home and organising themselves whilst developing self-confidence, resilience and working as part of a team. They have definitely shone as representatives of their families and our school this week and have taken the first step on a journey towards everything Whitby, London and Robinwood can offer!

SJS STARS OF THE WEEK

- Y3: Caleb Tingle
- Y3: Lylah-Poppy Leeks
- Y3: Charlie Brocklesby
- Y3: Reuben Priestley
- Y4CG: Frankie Jones
- Y4KT: Logan Clarke
- Y4OS: Lottie Siddall
- Y5GG: Mason Coopland
- Y5HK: Jack Prentice-Marsden
- Y5DW: Millie Turner
- Y6ER: Maddison Armitage
- Y6MC: Fiona Woodcock
- Y6CH: Tayla Corcoran

Miss Sheehan: Dwayne Lakin
Mrs Saville: Alfred Robinson

Y3/5 Yard: James Lycett
Dining-Room: Riley Tollan
Y4/6 Yard: Jack Gill

READING AROUND THE WORLD

NATIONAL ONLINE SAFETY

We are one parent away from achieving National Online Safety's certified school status and would hugely appreciate your help, please! All we need is for at least one parent to complete a 'course' (e.g. 'Annual Certificate in Online Safety for Parents & Carers of Children aged 7-11') via our school's unique link, <https://nationalonlinesafety.com/enrol/stocksbridge-junior-school>. The courses are simple to access and include a series of quick films followed by multiple-choice questions.

The online world is posing an ever-increasing risk to children, and it is important that schools, parents and carers work together to take an active role in teaching children about online dangers. Learning how to act safely when using the internet is an incredibly important part of safeguarding our children. We very much hope parents find these resources support conversations with children about their online lives.

As ever, thank you for your support!

BABY NEWS

We are very excited to announce the safe arrival of a baby boy to Mrs Foster and her husband on Tuesday 19th April, weighing 8lb 3oz and Mummy and baby are doing well. We are sure you will join us in wishing them every happiness as a family of four!

CHICKENPOX

Stocksbridge Nursery Infants have shared with us that they have an unusually high number of chickenpox cases in school. If you have a younger child at the Infants, we ask that parents are super vigilant for symptoms in your junior aged child too.

Cases of chickenpox are generally infectious from 2 days before the rash appears to 5 days after the onset of rash. Children are not allowed to attend school until at least 5 days after the appearance of the chickenpox rash (blisters) and all lesions have crusted over.

Further guidance is available on the NHS website: <https://www.nhs.uk/conditions/chickenpox/>

PE NEXT WEEK

Please ensure your child is wearing appropriate PE kit on their class' PE day next week.

Monday	Tuesday	Wednesday	Thursday	Friday
Y3RD Y6CH	Y5DW	Y3AH Y4OS Y5HK	Y4CG Y6MC Y5CG	Y4KT Y6ER Y4CG (Swimming)

ATTENDANCE REGISTERS

During last academic year, schools were required to record COVID related absences using a special code which ensured the non-attendance did not contribute towards a child's attendance figures. This academic year, schools are no longer required to record pupils who do not attend for reasons related to COVID-19. Instead, where a pupil is not attending because they have symptoms of COVID-19 or have had a positive test, schools have been required to use the code for illness unless another more appropriate absence code applies.

TIPS FOR A HEALTHIER FAMILY

Do you struggle to get your 5-a-day?

Are you looking for quick & easy ways to improve your diet?

Do you want some advice on how to keep your family healthy?

Then why not join Eat Smart Sheffield for their FREE online webinar, '10 Top Tips for a Healthier Family' which includes advice on how to keep you and your family healthy including simple swaps, portion control, making the most of mealtimes, and how to deal with fussy eating.

Wednesday 27th April 2022, 8pm – 9pm

Presented via Zoom and delivered by nutrition professionals, the session will be informative but fun, with time throughout to answer any of your questions.

THRIVE FOR PARENTS AND CARERS

It Takes a Village

We are pleased that, after the great success of our last Family Thrive workshops, we will be offering more parent/carer places on our new workshops to take place in June and July.

- 9th June 22
- 16th June 22
- 23rd June 22
- 30th June 22
- 7th July 22
- 14th July 22

All sessions will take place between 9.15am and 11.15am in our Thrive Room. It is important that you are available for all six sessions. BUT, don't let that put you off as we can chat about how session can be caught up on.

The Family Thrive programme uses the Thrive Approach to help parents and carers understand how the Approach makes a positive difference to the wellbeing of your children including:

- How our brains develop
- How your right brain talks to your left brain
- Why play and creativity are so important to you and your child
- How to support your child at times of change and difficulty
- Everyday trigger times and how to keep calm
- How to be a behaviour detective

We only have a small room so places will be offered on a first come first served basis. To reserve your place or to find out more, all you need to do is either ring the school office and ask for Mrs Lea-Jones or email Mrs Lea-Jones on j.leajones@stocksbridge-jun.sheffield.sch.uk. You will need to confirm you are interested in a place by 6th May 2022. Your places will be confirmed by email after this date.

EVENTS COMING UP THIS HALF TERM...

SPOTTING ADS ON SOCIAL MEDIA

Do you always know when you're seeing an ad on your social media feed? You might not! Some ads look just like any other post – they might be funny or cool, but really they're trying to sell you something without you realising. But here are some ideas for spotting ads like a pro!

Look closely at the profile picture

Pay attention to the account name

Check if it says "sponsored"   or "promoted" 

A 'verified' tick can still mean it's an ad

Study the hashtags for clues about the post's purpose

Be savvy with high numbers of likes and shares
