

## Stocksbridge Junior School Science Curriculum Map

*“The important thing is to never stop questioning.”*

**Albert Einstein**

	Year 3	Year 4	Year 5	Year 6
Autumn 1	Biology: Plants, Animals & Humans	Physics: Forces & Magnets Light & Sound Electricity The Solar System	Physics: Forces, Light & Sound Electricity Earth & Space	Biology: Living Things Life Cycles
Autumn 2				
Spring 1	Chemistry: Everyday Materials Rocks & Soils	Chemistry: Everyday Materials Solid, Liquid & Gases	Chemistry: Properties of Materials Properties and Changes of Materials	Chemistry: Properties of Materials Properties and Changes of Materials
Spring 2				
Summer 1	Physics: Forces & Magnets Light	Biology: Living things & their habitats Animals, including humans	Biology: All living things and their habitats Animals, including humans	Physics: Light Electricity
Summer 2				

**At Stocksbridge Junior School, every child is a scientist!**
