

Stocksbridge Junior School's Action Plan

<u>Eco-Schools Topic</u>	<u>Action</u>	<u>Duration</u>	<u>Monitoring Method</u>
Energy	Educate through 'Cut Your Carbon' Week (6-10 February 2023) Appoint Energy Monitors for each classroom.	February 2023 – July 2023	Energy monitors to completely half-termly Energy Investigators Review. Introduce 'Naughtiest Light Switch'.
<u>Aim</u>	Display posters reminding children and adults to turn off lights and electronic devices when not in use. Support the application for lights with motion sensors in toilets and corridors. Provide energy saving tips on our weekly newsletter.	<u>Informing & Involving Plans</u>	<u>Final Evaluation</u>
To reduce energy usage in school		Pupils Eco-committee Parents SG (Headteacher) TB (Business Manager) MB (Chair of Governors) AG (Caretaker)	
<u>Eco-Schools Topic</u>	<u>Action</u>	<u>Duration</u>	<u>Monitoring Method</u>
Biodiversity	Increase outdoor learning sessions (minimum 2 per half term). Educate children about the pets and bees we keep in our school and grounds. Encourage insect and animal life in the school grounds. Educate children on the global threat to biodiversity through lessons in science and geography. Create plant beds outside school. Each class to have at least one plant to take care of.	March 2023 – July 2023	Pupil questionnaires. Pupil voice discussions.
<u>Aim</u>		<u>Informing & Involving Plans</u>	<u>Final Evaluation</u>
To promote biodiversity in our school grounds		Pupils Eco-committee SG (Headteacher) Teaching staff
